The screenshot shows the homepage of the County Health Rankings & Roadmaps website. At the top, there is a navigation bar with the site's name and tagline, a search bar, and links for 'Rankings', 'Roadmaps', 'Tools & Resources', 'Webinars', 'Blog', 'About', and 'FAQ'. Below the navigation bar is a large banner image of children running in a field. The banner text reads: 'We're celebrating 5 years of working together to make our nation healthier. Learn what's new and join in!' Below the banner, there are three columns of text: 'Explore Rankings' (Use the Rankings and data to understand what affects health in your area and where to focus.), 'Move Forward with Action' (Visit the Action Center and get guidance to help improve health in your community), and 'Read and Share Stories' (Learn from other communities and inspire others by sharing stories about your journey toward better health). Below these columns is a map of the United States with a 'Choose a state to begin' button. To the right of the map is a list of state abbreviations: VT, NH, ME, CT, RI, MA, NY, NJ, PA, OH, WV, VA, NC, SC, GA, AL, MS, LA, TX, OK, MO, IL, IN, MI, WI, MN, IA, KS, NE, SD, NB, MT, WY, CO, UT, AZ, NV, ID, WA, OR, CA, HI, AK. At the bottom of the page, there are four buttons: 'Our Approach', 'Ranking Methods', 'FIND YOUR COUNTY OR STATE' (with a search input field), and 'Using the Rankings Data' (with a sub-button 'Download the Rankings Data').
