Next/Action Steps Discussion:

Participants are interested in scheduling another session to continue the cross-site sharing and networking about active transportation.

- Topic Ideas:
 - Community safety
 - The need to address this as a priority issue or as a frame for active transportation strategies
 - Suggested session contributors included partners from the Syracuse – Near Westside and Brownsville partnerships
 - Subtopics under the discussion about safety can include ideas for engagement and partnerships with law enforcement, and safety for senior residents
- Timing: end of July or early August
- Facilitator: TBD
