Resources Shared:

- Community Leadership Training materials from Claremont partnership (shared as separate documents)
 - Curriculum Table of Contents
 - Session Two outline
- Interdependent Structures chapter (referred to by Shelley as “the snowflake model”; shared as a separate document)

Next/Action Steps Discussion:

- Topic Ideas:
 - Deeper learning and discussion about the Spider-Gram model and components with community examples
 - Learning and discussion about interdependent structures (“snowflake model”)
- Timing: A suggestion was made to take a poll to determine the date for a next session
- Facilitators: TBD
