# Healthy Livable Hunts Point

[UHP Welcomed to Summer Play Street](#)

# Long-Term Goal

Support a healthy and vibrant community in collaboration with community residents to improve quality of life.

Develop a year-round facility to serve as a community space to provide access to fresh produce as well as to create opportunities for wellness and active living.

# Short-Term Goal

Expand on the GrowNYC Food Box Program by developing a produce retail operation which will served as an interim step to the Mercado until Spofford is rebuilt as The Peninsula.

# Key Partners and Collaborators

- Hunts Point Community Residents
- Hunts Point Alliance for Children
- Gilbane Development Company
- GrowNYC
- Building Healthy Communities

# Community Engagement Strategies

  - Pop-up Market Series
  - Nutrition Education/ Health Education
- **Building the Mercado & a Healthy Hunts Point**
  - Indoor Interim Market
    - ☐ Food retail

# Question for Peer Support

How could we build collaboration between city agencies, non-profits and businesses to assure the implementation of a pop-up Mercado series in our parks?
