

A 3-Month Learning Experience

THE 3-MONTH EXPERIENCE

Collaboration Lab™ builds the skills, capacity, confidence, and effectiveness of emerging and established leaders to address complex community issues through cross-sector collaboration.

This 3-Month learning experience includes:

- An environment for various learning styles that includes structured facilitation, peer learning, and practical application.
- Evidence-based and practice-tested tools to build your collaboration capacity, including:
 - A guiding framework with core elements of successful collaboration
 - Our Collaborative Leadership Self-Assessment that highlights your strengths and areas for potential growth
- Whole and smaller group interactions to deepen learnings and build networks with other participants

ARE YOU?

- **Part of a group or coalition** that is working together and looking to improve your collaboration skills?
- **A leader of an organization or coalition** that wants to increase the effectiveness of your collaborations?

THIS COURSE IS FOR YOU!
